THE CHARLEROI MAIL

VOL. XIII. NO. 108 CHARLEROI, WASHINGTON CO., PA., WEDNESDAY, NOVEMBER 27, 1912 ONE CENT

TO SPREAD DOCTRINE

Lyceum Bureau Part of the Progressive Party Plan

Intelligence comes from the county seat to the effect that the Washington party in Washington county and the twenty-fourth congressional district purposes to effect a permanent and effective organization for the future. Steps have been taken it is stated in this county for the election of precinct chairman and vigilance committees in precincts where the organization is not complete. The recent campaign, which resulted in the Republican party getting third place for all its candidates, was accomplished without organization in one-half of the precincts.

A county convention is to be called within the next few weeks and it is the plan to organize through the central committee Progressive leagues in every part of the county, to establish a lyceum bureau, have a legislative committee and to formulate a platform which will deal specifically with the abuses in the county, making efficiency and economy in local affairs the keynote of the new party.

The twenty-fourth congressional district, comprising Washington, Beaver and Lawrence counties, not only elected one of the two out-and-out Progressive congressmen from Pennsylvania, but elected four out of seven members of the legislature, two of the others being Democrats who are progressives and one regular Republican candidate.

An interesting feature of the returns is that Congressman Matthews, the Republican nominee, ran third in Washington county.

ACCESSIONS THUS FAR NUMBER 22

At the First Christian church Tuesday night the Rev. F. A. Bright, evangelist, preached on the subject, "What Shall I Do to Be Saved?" Bright will speak of the "Infallibly Safe Way."

FEENEY HONORED

Friends Tender Banquet to Popular Assemblyman

As a token of appreciation to their fellow townsmen, William Feeney, who was defeated for re-election to the assembly in the recent election, was given an honor banquet at the Elks' home Tuesday evening by about 40 of his friends. D. M. McCloskey was the toastmaster and several toasts and "stunts" were given.

Addresses were made by Kerfoot W. Daly, R. H. Rush, John B. Schafer, "'Squire" George Newton, "Jim" Walker, and Dr. D. E. Sloan. "Bill" Gaut's choir enlivened the occasion by rendering several vocal selections. John Jenkins, irrepressible and fairly bubbling over with fun, told several excruciatingly funny stories. Joseph Wheeler made a big hit with violin solos. One of the chief features of the evening was an Irish reel given by Christopher J. Mogan and "'Squire" George Newton. They were encored time and time again until they were all but exhausted. By a ruling those who wouldn't do stunts were compelled to box, and nearly a dozen short bouts were pulled off. K. W. Daly and Pierce Ferguson proved the most adepts at this kind of work.

Mr. Feeney responded feelingly of his regard for his friends in Charleroi in a few well chosen words. He said if it was ever in his power to advance the interests of the citizens of Charleroi he would consided it a pleasure to do so. Judge J. F. Taylor, Ed. Carothers, District Attorney "Dick" Miller and Sheriff R. G. Lutton sent their regrets that they were unable to be present.

CHURCH CIRCLE HOLDS MEETING

Discussing the theme, "The Church, Its Leader, Its Mission and Its Conquest," a Thanksgiving topic, the Young Ladies' Circle of the Washington Avenue Presbyterian Church held an interesting meeting at the home of one of its members, Miss Stella Baudoux of Lookout avenue Tuesday evening. The leader of the topic was Miss Elizabeth Elliott, assisted by Misses Marguerite Whitlatch, Genevieve Nutt, Jean Whitehead and Mrs. Arthur Miksch. Special music was rendered by a quartet composed of Misses Emma Clutter, Elma Collins, Grace Gelder and Mamie Rockwell. A piano solo was also rendered by Miss Marguerite Whitlatch. A Thanksgiving offering was donated by the circle to further the work of the missions in China.

SMALLWOOD PLEASES A LARGE AUDIENCE

By keeping an even pace throughout the greater part of the race and by a wonderful spurt at the finish, clearly demonstrating why he is called the world's champion middle distance runner, Percy Smallwood defeated Charles Deitz, who tried at the rink Tuesday night to skate two and a half miles in better time than Smallwood ran a mile and a half. Deitz gained a little over two laps. Then during the last five laps Smallwood went ahead easily.

Kid West walked against a lad styling himself "The Boy Scout." West showed such speed that the boy was compelled to run at times to keep up. The race was for two miles and West won by a lap.

Tonight Smallwood will run three miles against a team composed of Eugene Lessman and Charles Wagner each of whom will run a mile and a half. West will endeavor to walk two miles against four boys. Smallwood and West will race both afternoon and evening Thanksgiving.

Mark Walls of Building

Complaint has been made to the police that boys and even small girls have been using chalk too promiscuously of late frescoing buildings, windows, sidewalks and other places. Not content with inscribing names, they have gone to the extreme height of impoliteness and impudence by writing obscene and even profane words on various places. Pictures too, of unmistakable intent are produced by the youthful talent with chalk alleged to be pilfered from the school rooms. It is stated that girls are even as wilful and evil offenders as the boys in this deplorable nuisance.

At the Methodist Episcopal church in the evening at 8 o'clock union services will be held by the Protestant churches and a collection taken for carrying on the work of the Associated Board of Charities. The First Christian church will continue its evangelistic services.

FEATURES AT COYLE ON THANKSGIVING DAY

"Leah, the Forsaken," a three reel Imp production, is the Thanksgiving attraction at the Coyle Theatre tomorrow. This great dramatic masterpiece which in past years has been starred in by the world's greatest tragediennes, is most ably portrayed yb Miss Vivian Prescott as Leah, and Wm. E. Shey as Rudolph, the two strong leading characters of the cast. The story opens with the stoning of Jews as they are driven out of a small Prussian community. Leah, the young Jewess, persecuted and driven from pillar to cost, is beloved by Rudolph, the Gentile, but the marriage is prevented by the mechinations of relatives and the lovers are parted amid tragic circumstances. The play is one of the great masterpieces of the drama and has always been a leading attraction.

THANKSGIVING.

Tomorrow the people generally throughout the length and breadth of the United States will celebrate Thanksgiving Day, a custom that is purely of American origin. Ostensibly, at least, the mission of the holiday is to give thanks to Almighty God for the many blessings bestowed upon our country during the past season, and to show a spirit of appreciation in the hope that these blessings may continue. As a matter of fact the solemnity of the occasion gives way to holiday joyousness, and pleasure, joy and gladness mark the spirit of the day.

There can be no serious objection to the holiday spirit of Thanksgiving, when pursued in a rational manner. It is the normal function of the human heart to be glad, and the greatest human mission that can be performed is to confer joy and gladness on others. By making others happy as well as ourselves, is the spirit of Thanksgiving most fittingly observed. When people are happy they are thankful, and a thankful people is most in accord with the teaching of the Divine Master.

LIMERICK GRAND PRIZE AWARDED

Owing to the over-crowded condition of the advertising columns the winner of the grand prize in the Limerick contest which was conducted weekly for the past ten weeks in the Mail was not announced yesterday. This was more than was awarded by the judges to any other single contestant and consequently Miss Whitehead will be awarded the grand prize of $10 in gold offered to the one winning the greatest number of prizes during the contest.

MORE OUT DOOR LIVING

And Death Rate Will Be Lowered.

Statistics prove that the death rate is very much greater in the winter months than in summer and that the lack of fresh air is largely responsible for this condition.

If the system becomes run down, blood thin and watery, circulation poor, no oppetite, don't dose with drugs, but take our delicious cod liver and iron tonic Vinol, not a patent medicine, as everything in it is named on every package and if it does not give you a hearty appetite, enrich the blood and create strength, we will return your money; that shows our faith in Vinol.

A case has just come to our attention from Albany, N. Y. Mrs. H. Hartman says: "I was in a run-down condition for about five years until this spring when I learned what a good tonic and strenghthener Vinol is. It is certainly the best tonic I have ever used and it has done wonders for me."

Owing to the continued growth of the Sunday school here it was found necessary to establish a new class on October 1, and now it seems that one more or ten in all will be necessary to accommodate the Sunday school. Easter, Children's day and other occasions were passed over quietly with no special program since Xmas, 1911, and now the school demands another Xmas program, which will likely be on Christmas eve, with probably a tree. Cash vs. Credit

Question: Why should I pay cash at a co-operative store? My credit is good at the competitive stores.

Answer: We do not believe in the credit business. It is incompatible because, first, of its inequality. If some buy goods on time while others pay cash when purchaser is getting something for nothing. There are inevitable losses of a portion of the accounts when a credit business is done, and these losses must be added to the expense of operating the business and must be paid by thoe who pay cash.

Secondly, doing a credit business is unsafe; when once entered upon, the manager and clerks dislike to call a halt. The universal experience has been that more stores —both competitive and co-operative—went into bankruptcy on account of the credit business than any other one feature.

Thirdly, unless the manager can have the cash in hand for the goods passed out over the counter, he cannot take his cash discounts on new bills of goods bought to replace those sold.

A loss of these cash discounts is another injustice to those who pay cash; in addition to the losses of the actual cash discount, wholesalers often quote considerably cheaper price to stores which they know will pay cash than to those who are always behind in paying their bills. Thus a double loss is imposed upon the company and upon the members who invariably pay cash.

"Dad" Engle, of Roscoe who is tackle will go to Chicago after the game for some stock judging. He is being sent by his college as one of three to take part in this work.

Gentlemen—

Will you have the kindness to send me the names of dealers who carry Red Cross Shoes in the town shown on the enclosed list? I quite often have to buy shoes while I am out on the road, and since I learned what Red Cross Comfort means I hate to think of putting on an ordinary stiff sole shoe.

Yours very truly,

Lyceum Bureau Part of the Progressive Party Plan

Intelligence comes from the county seat to the effect that the Washington party in Washington county and the twenty-fourth congressional district purposes to effect a permanent and effective organization for the future. Steps have been taken it is stated in this county for the election of precinct chairman and vigilance committees in precincts where the organization is not complete. The recent campaign, which resulted in the Republican party getting third place for all its candidates, was accomplished without organization in one-half of the precincts.

A county convention is to be called within the next few weeks and it is the plan to organize through the central committee Progressive leagues in every part of the county, to establish a lyceum bureau, have a legislative committee and to formulate a platform which will deal specifically with the abuses in the county, making efficiency and economy in local affairs the keynote of the new party.

The twenty-fourth congressional district, comprising Washington, Beaver and Lawrence counties, not only elected one of the two out-and-out Progressive congressmen from Pennsylvania, but elected four out of seven members of the legislature, two of the others being Democrats who are progressives and one regular Republican candidate.

An interesting feature of the returns is that Congressman Matthews, the Republican nominee, ran third in Washington county.

FEENEY HONORED

Friends Tender Banquet to Popular Assemblyman

As a token of appreciation to their fellow townsmen, William Feeney, who was defeated for re-election to the assembly in the recent election, was given an banquet at the Elks' home Tuesday evening by about 40 of his friends. D. M. McCloskey was the toastmaster and several toasts and "stunts" were given.

Addresses were made by Kerfoot W. Daly, R. H. Rush, John B Schafer, "'Squire" George Newton, "Jim" Walker, and Dr D. E Sloan "Bill" Gaut's choir enlivened the occasion by rendering several vocal selections. John Jenkins, irrepressible and fairly bubbling over with fun, told several excruciatingly funny stories. Joseph Wheeler made a big hit with violin solos. One of the chief features of the evening was an Irish reel given by Christopher J. Mogan and "'Squire" George Newton. They were encored time and time again until they were all but exhausted. By a ruling those who wouldn't do stunts were compelled to box, and nearly a dozen short bouts were pulled off. K. W. Daly and Pierce Ferguson proved the most adepts at this kind of work.

Mr. Feeney responded feelingly of his regard for his friends in Charleroi in a few well chosen words. He said if it was ever in his power to advance the interests of the citizens of Charleroi he would consided it a pleasure to do so. Judge J. F. Taylor, Ed. Carothers, District Attorney "Dick" Miller and Sheriff R. G. Lutton sent their regrets that they were unable to be present.

THANKSGIVING.

Tomorrow the people generally throughout the length and breadth of the United States will celebrate Thanksgiving Day, a custom that is purely of American origin. Ostensibly, at least, the mission of the holiday is to give thanks to Almighty God for the many blessings bestowed upon our country during the past season, and to show a spirit of appreciation in the hope that these blessings may continue. As a matter of fact the solemnity of the occasion gives way to holiday joyousness, and pleasure, joy and gladness mark the spirit of the day.

There can be no serious objection to the holiday spirit of Thanksgiving, when pursued in a rational manner. It is the normal function of the human heart to be glad, and the greatest human mission that can be performed is to confer joy and gladness on others. By making others happy as well as ourselves, is the spirit of Thanksgiving most fittingly observed. When people are happy they are thankful, and a thankful people is most in accord with the teaching of the Divine Master.

LIMERICK GRAND PRIZE AWARDED

Owing to the over-crowded condition of the advertising columns the winner of the grand prize in the Limerick contest which was conducted weekly for the past ten weeks in the Mail was not announced yesterday. This is Miss Marie Whitehead of 105 Prospect avenue. During the contest Miss Whitehead was awarded five cash prizes of $1 each. This was more than was awarded by the judges to any other single contestant and consequently Miss Whitehead will be awarded the grand prize of $10 in gold offered to the one winning the greatest number of prizes during the contest.

MORE OUT DOOR LIVING

And Death Rate Will Be Lowered.

Statistics prove that the death rate is very much greater in the winter months than in summer and that the lack of fresh air is largely responsible for this condition.

If the system becomes run down, blood thin and watery, circulation poor, no appetite, don't dose with drugs, but take our delicious cod liver and iron tonic Vinol, not a patent medicine, as everything in it is named on every package and if it does not give you a hearty appetite, enrich the blood and create strength, we will return your money; that shows our faith in Vinol.

[illegible] tion from Albany, N. Y. Mrs. H. Hartman says: "I was in a run-down condition for about five years until this spring when I learned what a good tonic and strenghthener Vinol is. It is certainly the best tonic I have ever used and it has done wonders for me."

Try a bottle of Vinol, on our guarantee. Piper Bros. Druggists.

SPEERS

Coroner and Mrs. James T. Heffran attended a banquet in Pittsburg Monday evening given by the past grands of the I. O. O. F.

Walter Sutherland who was painfully injured two weeks ago by a spike going through his face is now better and back to work.

Wm. Steel and Isaac Beazell were church goers at McKeesport on Sunday and say that Rev. Wm. Sunday is a wonder.

Engineers were busy in Speers borough Monday surveying for a proposed improved road. The money spent for surveys during the past 18 months would build one-half of the road or a half mile at least.

Owing to the continued growth of the Sunday school here it was found necessary to establish a new class on October 1, and now it seems that one more or ten in all will be necessary to accommodate the Sunday school. Easter, Children's day and other occasions were passed over quietly with no special program since Xmas, 1911, Xmas program, which will likely be on Christmas eve, with probably a tree. A committee consisting of Mrs. King Chalfant, and Misses Clara Snead, Mary Taylor and Sylvia Gaskill are making all arrangements.

Cash vs. Credit

Question: Why should I pay cash at a co-operative store? My credit is good at the competitive stores.

Answer: We do not believe in the credit business. It is incompatible because, first, of its inequality. If some buy goods on time while others pay cash when purchaser is getting something for nothing. There are inevitable losses of a portion of the accounts when a credit business is done, and these losses must be added to the expense of operating the business and must be paid by thoe who pay cash.

Secondly, doing a credit business is unsafe; when once entered upon, the manager and clerks dislike to call a halt. The universal experience has been that more stores—both competitive and co-operative—went into bankruptcy on account of the credit business than any other one feature.

Thirdly, unless the manager can have the cash in hand for the goods passed out over the counter, he cannot take his cash discounts on new bills of goods bought to replace those sold.

A loss of these cash discounts is another injustice to those who pay cash; in addition to the losses of the actual cash discount, wholesalers often quote considerably to those who are always behind in paying their bills. Thus a double loss is imposed upon the company and upon the members who invariably pay cash.

Gentlemen—

Will you have the kindness to send me the names of dealers who carry Red Cross Shoes in the towns shown on the enclosed list? I quite often have to buy shoes while I am out on the road, and since I learned what Red Cross Comfort means I hate to think of putting on an ordinary stiff sole shoe.
